## ESSENTIAL INSTRUCTIONAL RESOURCES

The following resources are published by the Pentathlon Institute to further benefit student achievement in a variety of instructional settings including schools, clubs, and home use. These resources also provide pre-and-post game activities and strategic exercises that prepare students for successful academic competition.

### THE GUIDES FOR TEACHING

To utilize the Guides you will also need the appropriate Game Set, Adventures Book, & Investigation Book.

These full color publications provide effective and detailed guidance to adults who are teaching the Math Pentathlon Program at their school. The Guides are organized into monthly lesson plans with 4 one hour lessons per month for weekly implementation.
