

GAME MONITORS for the NATIONAL MATHEMATICS PENTATHLON® ACADEMIC TOURNAMENT

One adult volunteer Game Monitor is necessary for every TWO Pentathletes to ensure each Pentathlon game is properly officiated. We require an equal representation of volunteers across the 5 games at each division. **EXAMPLE:** If a school sends 30 students at a division level, which requires 15 Game Monitors, then 3 Game Monitors should be assigned for each of the 5 games. For every 20 students participating we also request at least one adult apply to be a Game Leader.
