

# Division II School Assignments

**NOTE: if your school is sending more than 30 students to a Division, there is a high probability that you will need to split your group into 2 (schools can not send more than 30 unless space is available at the other site). One group will attend one tournament site and the other group will attend the other tournament site. Schools in yellow will need to be prepared to attend both site if space is available this year.**

If your school is not listed below then our office has not received the School Contact Designee Form:  
 Online Form: <https://goo.gl/forms/U8cmYig66AAVNnKX2>
